PRIVACY NOTICE ON PERSONAL DATA PROCESSING AND AUTHORIZATION FOR APPLICATION FORM, AUDIO AND VIDEO MATERIAL USE

The Cluster Alisei, Associazione Cluster Tecnologico Nazionale Scienze della vita – ALISEI, c/o Cluster Lombardo Scienze della Vita, Piazza Città di Lombardia n. 1, 20124 Milano, in its role of Data Controller of the Meet in Italy for Life Sciences Startup Bootcamp - MIT4LS SUB2021 initiative (<https://meetinitalylifesciences.eu/>), pursuant to art.13 and art.14 of the European Regulation 679/2016 concerning the protection of personal data (GDPR), hereby informs the interested party that the data referred to and collected by the Data Controller will be used for the purposes that follow in details.

TYPE OF DATA

The data processed subject of this notice are:

- data provided with the submission of the application form of MIT4LS SUB2021 by the Applicant to participate in the MIT4LS SUB2021 selection. Such data (personal and contact data, data contained in presentations and/or multimedia material, or data processed with other technologies, etc.) will be considered non-confidential, as indicated in the application form;
- if the Applicant proposal is selected for the pitch presentation at MIT4LS SUB2021 final event: photos/images, video and audio recordings of the interested party, provided by the interested party or related to the interested party and collected through audio/video footage during MIT4LS SUB2021 pitch presentations or MIT4LS2021 event (29 September - 1 October 2021).

PURPOSES OF DATA PROCESSING

The provided data will be collected for the activities related to the initiative MIT4LS SUB2021, carried out within the framework of the event Meet in Italy for Life Sciences 2021 (Genoa, 29 September - 1 October 2021 - MIT4LS2021, see: <https://meetinitalylifesciences.eu/>). Data will be used for:

- the evaluation of the applications submitted for the participation in the MIT4LS SUB2021 selection, feedback collection and follow-up of MIT4LS SUB2021;
- communications to inform MIT4LS SUB2021 participants of any updates related to MIT4LS SUB2021 and the MIT4LS2021 event.
- publication of information about the selected proposals (possibly including their pitch) and their contact person on MIT4LS SUB2021 section of MIT4LS2021 website or the MIT4LS2021 partnering platform (<https://genova2021.mit4ls.b2match.io/>) for the promotion and communication of the initiative through the communication channels of the MIT4LS2021 organisers;
- management of the attendance register at the event;

Photos/images, video and audio recordings of or related to the Applicant, the Applicant company/business project proposal or team, both provided by the Applicant or collected, recorded or diffused in streaming through audio/video footage during the activities of MIT4LS SUB2021 or MIT4LS2021 event can be used for press review and releases, communication and promotion of the event through the social channels and the websites of the MIT4LS2021 organizers.

LAWFUL BASES FOR DATA PROCESSING

The provision of data is mandatory as strictly necessary for the participation in the MIT4LS SUB2021 selection and, if the Applicant company/business project proposal is selected, for the participation in the bootcamp and final event activities. The refusal to provide the data implies the exclusion from the selection for MIT4LS SUB2021.

The legal basis for the data processing are: the necessity to carry out the services provided to the Applicant with reference to the aforementioned purposes for the MIT4LS SUB2021 selection; the Applicant consent with reference to authorization for the use of the aforementioned audio/video material and the data contained in Applicant presentations. The consent is expressed through the compilation and signature of the consent and waiver form attached to this notice.

DATA STORAGE AND PROCESSING METHODS

The data is collected in compliance with the principles of relevance, integrity and not being excessive in relation to the purposes for which they are collected and processed. The personal data are processed in compliance with the principles of lawfulness, correctness and transparency, provided for by law, with the help of tools and equipments suitable to record and store the data, and in any case in such a way as to ensure the security and protection of the confidentiality of the person concerned. Specific security measures are observed to prevent the loss of data, unlawful or incorrect use and unauthorized access in full compliance with art.32 of GDPR.

The collected data will be stored and processed for a period not exceeding the needs of the conclusion of the initiative and its follow-up.

DISCLOSURE, DISSEMINATION AND TRANSFER OF DATA

The data processed for the above purposes will be accessible:

- to employees of MIT4LS2021 organisers (list of organisers here: <https://meetinitalylifesciences.eu/>) and collaborators authorised by them, including evaluators of the submitted applications and the coaches supporting the initiative, the list of which is published on MIT4LS2021 website;
- natural or legal persons connected to the provision to the MIT4LS2021 organisers of webinar, call conference, audio/video recording and editing services used for the activities of MIT4LS SUB2021. Those subjects will perform the function of data controller pursuant to and for the purposes of art.28 of GDPR.
- hosting services of the MIT4LS2021 and its organisers websites (<https://meetinitalylifesciences.eu/>), Google (<https://policies.google.com/privacy>), ALISEI and its members websites (<http://www.clusteralisei.it>).

RIGHTS OF DATA SUBJECTS

According to GDPR, the interested party, subject of data collection, may exercise the rights provided for in art.7 (withdrawal of consent), 15 (access), 16 (rectification), 17 (cancellation), 18 (limitation), 20 (portability), 21 (opposition), 22 (automation profiling), 77 (complaint to supervisory authorities) by sending an email to segreteria@clusteralisei.it.
